WAGERING
AT HOLLYWOOD PARK

Types of Bets

Win — When you bet a horse to win, you collect only if your horse finishes first.
Place — When you bet a horse to place, you collect if your horse finishes first or second.
Show — When you bet a horse to show, you collect if your horse finishes first, second or third.
Daily Double — This bet must be made before the first race and you collect if the horses you select to win the first and second races both finish first.
Daily Triple — This bet must be made before the sixth race and you collect if the horses you select to win the sixth, seventh and eighth races all finish first.
Exacta — To win on an Exacta bet you must select the horses finishing first and second in exact order.
Perfect Six — This is a bet in which you must correctly select the six winners of the second through seventh races. 50% of the net Perfect Six parimutuel pool is distributed to players who have picked six winners. 50% of the net Perfect Six parimutuel pool is distributed to players who pick the second most number of winners in races 2 through 7, but less than six. If no player picks six winners, 50% of the net parimutuel pool is carried over to the next racing day and added to the pool for the following day. In the event of a scratch, the betting favorite at the time of the start of the race will be substituted for the scratch. Complete Perfect Six rules are available at the Operations Office.
Pick Nine — To win the major payoff in Pick Nine wagering you must pick the winners of all nine races. If no one correctly picks all nine winners, 15% of the net Pick Nine pool will be returned to patrons picking the most winners and 15% will be returned to patrons picking the second most winners in that day's Pick Nine. The other 70% will carry over to the Pick Nine pool on the next racing day. A mandatory payoff of the entire net pool will occur on the day **after** a Pick Nine pool reaches $2 million.

Purchasing Tickets

Please make your wagers early. Races will begin promptly at post time. Hollywood Park assumes no responsibility for uncompleted transactions after tote machines are locked. Please have exact change for purchasing tickets when possible.

Horses grouped in an entry or mutuel field are considered one horse for wagering. Example: Horses in Entry 1, 1A and 1B are represented by a ticket on No. 1 horse. Nos. 12, 12A and 12B are in a field represented by ticket No. 12.

Cancelling or Exchanging Tickets

Patrons are advised that any mutuel tickets may be cancelled or exchanged at any time prior to post time for the race for which they were issued.

Cashing Tickets

PLEASE KEEP TICKETS UNTIL RESULTS ARE OFFICIAL.

Previous days' tickets may be cashed at any window throughout the wagering period. By State law, tickets must be cashed within 60 days after a meeting ends. The amounts of uncashed tickets then revert to the State of California.

Entries, Dead Heats in Exacta Races

Entries in Exacta races are considered single interest for mutuel calculations and payoffs. When any horse in an entry (or mutuel field) finishes first, all other horses in that entry (or field) are disregarded in determining the second horse for payoff purposes.

In a dead heat for first in an Exacta race, the net pool is calculated and payoffs are determined just as in a place pool. In a dead heat for second in an Exacta race, payoffs are made on tickets coupling the winning horse with any horse in the dead heat, calculated on the latter's interest in the net pool.

Program Errors

Every effort is made to avoid mistakes in the program, but Hollywood Park assumes no liability to anyone for errors in the program or for acceptance of entries of ineligible horses.

Rules on Starters

A horse in the starting gate whose stall door opens when the field is dispatched is an official starter in the race, as defined by CHRB rules. Tickets will be refunded only if a horse's stall door fails to open, but such a refund does not apply if one horse in an entry or mutuel field is declared a non-starter while other members of the entry or field remain starters.

C.H.R.B. Rule #1974 on Entries

The California Horse Racing Board rules state . . . "A declaration or withdrawal of one horse from a wagering interest which consists of more than one horse shall have no effect on any wagers made on such wagering interest."
